1. PURPOSE

These **Guidelines for the Use of Logos and Certificates** define the conditions under which certificates issued by DANEM TEST QUALITY AND STANDARDIZATION CERTIFICATES ISSUING SERVICES L.L.C. and the **DANEM TEST name and logo** may be used by certified clients and other interested parties.

The purpose of these guidelines is to ensure that any reference to DANEM TEST certification is **accurate, transparent, and not misleading**, and to protect the credibility and impartiality of DANEM TEST certification activities.

2. GENERAL PRINCIPLES

- ✓ DANEM TEST issues **certificates** based on conformity assessment activities conducted in accordance with applicable standards, directives, or regulations.
- ✓ DANEM TEST **does not operate a certification mark or mark of conformity**.
- ✓ The **DANEM TEST logo is a visual identity only** and shall not be interpreted as evidence of product approval or full regulatory compliance.
- ✓ Certification by DANEM TEST is limited strictly to the **scope stated on the certificate**.

3. USE OF DANEM TEST CERTIFICATES

3.1 Permitted Use

DANEM TEST certificates may be used:

- ✓ For contractual, regulatory, or informational purposes
- ✓ In technical documentation, catalogues, and company websites
- ✓ To demonstrate conformity **within the scope and limitations stated on the certificate**

3.2 Conditions of Use

- ✓ Certificates shall be reproduced **only in full** and without alteration.
- ✓ Certificate numbers, scope, and conformity assessment modules shall be clearly identifiable.
- ✓ Certificates shall be used only while they are **valid**.

3.3 Prohibited Use

Certificates shall not be:

- ✓ Altered, partially reproduced, or modified
- ✓ Used for products, models, or activities outside the certified scope
- ✓ Used after suspension, withdrawal, or expiry
- ✓ Used in a manner that implies **full compliance with all applicable legal requirements** unless explicitly stated on the certificate

4. USE OF THE DANEM TEST NAME AND LOGO

4.1 General Rules

- ✓ The DANEM TEST name and logo may be used only by certified clients and only in relation to the certified scope.
- ✓ The DANEM TEST logo shall not be used as a certification mark or mark of conformity.

4.2 Permitted Use

The DANEM TEST logo may be used:

- ✓ On company websites
- ✓ In brochures or marketing materials referring to valid DANEM TEST certification
- ✓ On copies of valid DANEM TEST certificates

4.3 Prohibited Use

The DANEM TEST logo shall not be:

- ✓ Affixed to products or packaging
- ✓ Used in combination with the CE marking
- ✓ Used in a manner that suggests DANEM TEST approves, guarantees, or endorses a product
- ✓ Used for uncertified products, services, or activities

5. MONITORING AND MISUSE

- ✓ DANEM TEST monitors the use of its certificates, name, and logo.
- ✓ Any misuse or misleading reference may result in corrective action, suspension, or withdrawal of certification.
- ✓ Serious or repeated misuse may be reported to relevant authorities where required.
- ✓ Failure to comply will result in formal warnings and possible legal actions.

6. VALIDITY AND VERIFICATION

- ✓ The validity of DANEM TEST certificates may be verified through DANEM TEST or its official communication channels.
- ✓ Users are encouraged to contact DANEM TEST in case of doubt regarding permitted use.
